**Warranty:**

Plugless and gas powered devices must be connected by a specialist. For refrigerators and freezers, the parameters must be set by an expert during initial commissioning. Non-compliance will void the warranty. The technician's invoice must be kept within the warranty period.

The following materials are excluded from the warranty: Materials made of glass, gaskets, sealing material, ceramics, fireclay as well as wear parts such as thermocouples.

Please check the appropriate invoice item for the warranty option you have ordered. Please note: The warranty option cannot be changed after invoicing.

Spare parts warranty, free of charge: 1 year manufacturer's warranty on spare parts from date of invoice.  
1 year full warranty: 5% surcharge on net value of goods plus VAT, 2 years full warranty: 10% surcharge on net value of goods plus VAT. 1 year or 2 years warranty from date of invoice. A takeover of the craftsman costs takes place only for craftsmen, who were assigned by our enterprise within the warranty period.

**Order items / custom-made products / special orders:**

In the case of orders for articles which are ordered especially for the customer, manufactured separately (made to measure) or produced extra, a down payment of 30% of the gross value must be made in advance. The balance must be paid before delivery.

The customer has no right to change or compensation claims in the event of non-payment.

**Cancellation:**

Order items / custom-made products / special orders can only be cancelled free of charge up to three working days after receipt of the order confirmation at the latest. Should the customer cancel at a later date but still before delivery, we reserve the right to retain 30% of the article value incl. VAT as a cancellation fee.

**Return:**

The return must be announced at the latest 14 days after receipt of the commodity with ggmgastro. You can do this via the e-mail address [reklamation@ggmgastro.com](mailto:reklamation@ggmgastro.com) or via telephone customer service. It must be confirmed by a service employee of ggmgastro (in writing). The goods must be unused and undamaged. If the product consists of different parts, the product must be complete. The goods must be packed in the original shipping packaging so that they are safe for transport. The goods are packed as original (protective films, protective materials, lashing straps, etc.). Special constructions, B-goods, articles procured individually at the customer's request and spare parts are excluded from the return service. The costs and the transport risk for the return transport are borne by the customer.

**Processing fee:**

The handling fee includes the costs for receiving, inspecting and storing the goods. If the return is requested up to and including 7 days after receipt of the goods and then confirmed, GGM Gastro does not charge a handling fee. From the 8th day, 25% of the net value of the returned item will be deducted from the refund amount, but not more than 120,- EUR for the processing of the return.
